Dear Sir

Please find enclosed a draft for fifteen dollars for the benefit of the poor Colored refugees. I only wish it were in my power to double the amount of my subscription & lay at your Harvest sympathies and my most earnest prayers.

May the Lord lead them by His own right Hand from

the Land of Grant and
Oppression," into a Land
flowing with Milk and
Honey" How they have
suffered, how they still
must suffer from the
Cruelty and injustice of
their brother Man!!

I am very sincerely
Yr
A Friend of the Freedmen
